## festival trivia & fun facts

**OUR MOST GRACIOUS CAMP HOSTS:** Skyelar "Scott" & Carol McLean, 831-423-3564. Scott's computer crashed this year. Please send him your info at his new e-mail address: [skyelarm@saratoga.ca.us](mailto:skyelarm@saratoga.ca.us).

**THIS YEAR'S BAND MEISTER:** Stan Russell, 831-460-9556 - email [stan@bigsurinternet.com](mailto:stan@bigsurinternet.com)

**WE LOVE VOLUNTEERS:** As in years past, camp set-up and clean-up assistance is most welcome.

**BACK THIS YEAR BY POPULAR DEMAND:** The Continental Drifters! • **BACK THANKS TO STAMINA:** The Stanimals!

**RUMORS:** The Blood Sisters are rumored to have morphed into a new band (as sexy as ever!) named "Mommy's Cranky"

**THIS JUST IN:** Ace Butcher has a new band, aptly named RAW DEAL—a name "with more presence, more ambiguity, yet viscerally identifiable, one with power and blood." An assortment of three-chord power rockers intermingled with weepy ballads and chuckle ditties, this band is not to be missed! An experience only available at P-Fest '05.

**INTRODUCING:** Awesome air guitarist Wade Harold Norvig Holmquist! • **OTHER SPECIAL GUESTS:** The Richmonds!

**ON THE FOOD FRONT:** Tacofest is on! Chef Jeffy cookin' up his secret recipe hot sauce at this very moment...

**WHAT TO BRING:** Food to share, water, dishes, utensils, tent, sleeping bag, pillow, firewood, flashlight, t.p., guitar, bass, percussion toys, drums, bicycle, hiking shoes, jackets, swimsuit, sunscreen, surfboard & etc. Pajamas optional.

**WHAT NOT TO BRING:** Your dog. (Sorry Pedro!)

**OTHER CRITICAL DETAILS:** You will need to contact Scott or Stan or check your snail mail invite for the gate code. Drive very slowly and very carefully on the trail/road coming in. You may encounter horses, bicyclists, hikers or wildlife. Please give them the right-of-way and try to keep dust to a minimum.
