

## *Howdy, folks!*

This letter is coming to you not by mere fluke, but because there is an extremely good chance that **You are a Millionaire!**

That's right! *Millionaire*—with a capital 'M'! Using a state-of-the-art random computer selection process, we have chosen one lucky soul to win

\$10,000,000, and it could be that **You've already won!**

How will you know for sure that **You are the winner?**

Well, I won't be callin' you on the phone, no sirreee! You can bet on that!

To find out if **You've won ten million dollars!**

and **To claim your money...** you'll have to show up

at our annual Millionaire's Club Jamboreeee! We have a space reserved especially for you! Look inside for details . . .
